

Dear Parents and Students,

Los Angeles Baptist Middle School is pleased to inform you of an opportunity of a lifetime. Next year, during your students 8th grade year we will be leading a tour to discover American history and our country's heritage. This tour will encompass historical sites from Williamsburg, to Washington D.C., Philadelphia, and ending in New York City. Our intent is to bring to life those events, places, and people that will be studied in 8th grade Social Sciences. This tour is a 10 days/9 night tour, which will take place during school, leaving October 9, 2009, and returning on Sunday October 18th. Join us for this grand experience.

To begin the process we have a student/parent informational meeting on Monday, February 23rd, at 7:00 in the gym. We will meet our tour operator, Mr. Gregg Pfister, who has two decades of experience with these trips.

Bring yourself, your student or parent, and bring your optimism. We are very excited about this new experience and trust that your student will benefit greatly.
